

IREC Team Registration Fees

Explanation of Fees

Teams participation in the IREC event at Spaceport America should expect to pay \$700 per rocket team and \$50 per team member. The payments are divided into three fees defined as follows:

Entry Deposit: \$200

The Entry Deposit is necessary for ESRA to make down payments on facility rentals, equipment rentals, and purchasing of new equipment before the event. Each team's Entry Deposit should be payed as soon as possible/practical after submitting their entry form, and is refundable - if a team decides to withdraw from competition - until Friday, April 13th.

Rocket Fee: \$500

The Rocket Fee pays for any costs that are not directly related to the number of people at the event. Each team's Rocket Fee is due on or before Friday, April 13th. Payment after this date will be considered "late", and the fee will increase to \$700.

Rocketeer Fee: \$50

The Rocketeer Fee pays for all costs that are directly related to the number of people at the event. Each participant's Rocketeer Fee is due on or before Friday, April 13th. Payment after this date will be considered "late", and the fee will increase to \$60.

Payment Meathod

Both the Entry Deposit Fee and the Rocket Fee will be payed via PayPal® using the links provided below. Each participant will pay their individual Rocketeer Fee using the Eventzilla online ticketing agent.

(Note: The individual Rocketeer Fee includes costs associated with the Awards Banquet. When redirected to the Eventzilla registration page to pay their Rocketeer Fee, students and advisors will pay the Rocketeer Fee only. There are other fees listed for spectators and vistors to the event. Participants do NOT pay these - only the Rocketeer Fee.)

Please use the most unique identifier available when paying your Entry Deposit Fee and Rocket Fee. Once assigned, your Team ID will always be the most unique identifier for associating your payment to your team.
